# Invitational Summer Institute ONLINE

## Energize Your Teaching

The NWP-KSU Invitational Summer Institute provides uplifting and encouraging professional development. You will be immersed in reading and writing with education professionals who are just as passionate about reaching students as you are.

## Engage Your Students

Teachers will leave the Institute with an abundance of ideas for the classroom to inspire students to think much more deeply about reading and writing.

## Enhance Student Learning

The Institute is for teachers of all content areas and grade levels. Educators will learn strategies to effectively guide students toward critical analysis and clear writing that gives voice to their thinking.
